MISSION STATEMENT

“To improve the health, well-being and lives of those we care for”

- Provision of good quality primary care services delivered in a clean, suitably equipped and safe environment
- Proactive management of long-term conditions, from birth through to the end of life
- Efficient use of NHS resources whilst providing clinically appropriate access to other NHS services e.g. Hospital referrals, diagnostic tests and effective treatment
- All members of the Practice team will have the right skills and training to carry out their duties competently
- All patients will be treated with dignity and respect

- Patients will be proactively involved in the development and maintenance of good quality services through the patient representation group and patient feedback
- We will liaise with other agencies and NHS colleagues in an effective manner with the focus of what is best for the patient
